we're thrilled you want to be a part of the jobTalk community!

Awesome, let's create an account

For now, I just want to search/write reviews

Contribute to making academia an inclusive workplace!

we noticed you don't have a profile- that's OK, you can still write reviews!

however, we do ask you to provide us with some demographic information anonymously. This information will NOT be made public by us, nor will it be connected with any account you create today or in the future. in this way your review will contribute to the data needed to make academia more inclusive!
